

**Medtech Canada Attestation  
Your Company Code of Conduct  
Conduct Meets or Exceeds the  
Requirements of the Medtech Canada  
Code of Conduct OR that Your Company  
Abides by the Medtech Canada Code of Conduct**

The information provided in this attestation will be used to certify that your company's Code of Conduct meets or exceeds the requirements of the Medtech Canada Code of Conduct OR that your company abides by the Medtech Canada Code of Conduct.  
A company completing this attestation will be considered "Code Certified" and allowed to use the Medtech Canada Code of Conduct logo.  
Supporting documentation can be attached or made available on request as appropriate.  
All information provided will be treated in the strictest confidence.
