

Frequently Asked Questions

What is Medtech Canada?

Medtech Canada is the national association representing Canada's innovative medical technology industry. Representing over 100 medtech companies (ranging from Canadian-owned to multinationals), Medtech Canada works closely with the federal and provincial/territorial governments, health professionals, patients and other stakeholders to deliver a patient-centred, safe, accessible, innovative and sustainable, universal healthcare system supported by the use of medical technology.

Why should I attend Canada's Regulatory & Quality Medtech Conference 2025?

Canada's Regulatory & Quality Medtech Conference 2025 presented by Medtech Canada is the "Go To" conference for the medical technology industry. Attendees will hear from and be able to engage with Health Canada and other stakeholders in a dialoguing and networking environment.

Medtech Canada's Regulatory Conference 2024 attracted more than 300 industry and government participants, look at what some of our attendees had to say about the event:

- "The engagement with Health Canada and presentations were the peak of the sessions. It is good to understand HC thought process and continued Guidance. It will be great to meet with HC next year in person. Health Canada was very open and came across as understanding and provided good explanations."
- "Medtech Canada is a bridge between industry and regulators, and I see that reflect in the conference."
- "If you work in Regulatory Affairs for the Medical Devices industry, the Canadian Regulatory Medtech Conference is the must-attend event of the year."

What time does the conference start & end? (Hybrid Event: in-person &/or virtual participation)

- June 10, 2025 – 8:30am – 4:30pm ET (Hybrid);
- June 10, 2025 – 4:30 PM – 6:30PM Networking Reception (networking in-person)
- June 11, 2024 – 8:30am – 4:30pm ET (Hybrid)
- June 12, 2024 – 8:30am – 2:30pm ET (Hybrid)

Location: John G. Diefenbaker Building. 111 Sussex Drive, Ottawa, Ontario

What to expect from the 2025 Hybrid Conference?

Your time is valuable! Medtech Canada’s Regulatory Affairs Education & Training (Conference Planning) Committee is working hard to ensure the most relevant topics are brought forward during this conference and would like to thank all of those that participated in providing their feedback in the survey that was sent out in 2024.

The 2025 Hybrid (in-person and virtual) conference in Ottawa is finally into fruition.

Below are just some of the features of Canada’s Regulatory & Quality Medtech Conference:

Multiple Networking Opportunities

- Networking through virtual event portal
- Longer breaks; time to connect with colleagues & friends
- In-Person attendees are invited to the Networking Reception on June 10, 2025, from 4:30pm – 6:30pm

Questions

Both in-person and virtual attendees will have multiple opportunities to ask questions during the conference.

Flexibility

Medtech Canada is recording all sessions. Sessions can be viewed at a time that fits best with your schedule through the virtual event portal (Note: Recordings of live sessions will be available to watch within a week after the live session).

Where should I book a hotel room?

Medtech Canada Members can take advantage of discounted rates through our Member Savings Program. Members can click [HERE](#) and log into your Medtech Canada profile to access exclusive discounts.

Where can I park when attending the conference?

Parking at 111 Sussex is underground and cost \$12 per day without in and out privileges. It is also open to the public and tends to fill up around 8:30am. Besides this, parking options are very limited, and we highly recommend public transportation or carpooling.

When can I access the virtual event portal?

The virtual event portal will be launched in early April. If you have registered for the conference, keep your eyes out for an email from Pheedloop.com. Click the link and use the login credentials provided to access the system. The virtual event portal works best when opened in Google Chrome. Check out the “How To” video in the lobby for tips on using the virtual event portal. The virtual event portal remains active for 2 months after the live event. Session recordings and presentation files will be posted in the virtual event portal.
